LEADERSHIP TRAINING

These three blocks hone in on three vital areas of local church leadership to help grow mature and balanced 3D leaders. Raising Leaders Rapidly helps create a local church that is a leader-producing machine. Biblical Counseling provides leaders with a simple and effective grid to pastor people through issues.

Session 1: Raising Leaders Rapidly

Session 2: Biblical Counseling

Session 6: Small Group Leaders.

BIBLE TRAINING

Earthed in the early chapters of Ephesians, the Bible training sessions present a Trinitarian-based approach to four foundational doctrines, each shaping the effectiveness and atmosphere of a local church in a dramatic way. The four sessions are a 3D blend of Reformed, Spirit-Empowered, and Missional theology.

Session 3: Sovereign Father

Session 4: Grace-Giving Son

Session 5: Empowering Spirit

Session 7: Missional Church

Looking forward to seeing you at our training.
